MENTORING PROGRAM

## Of Cozad

### Year of growth for the Cozad TeamMates program

#### Spring activities

- ◆ Spring game in Lincoln  
April 17th
- ◆ Big Apple Fun center  
May 8th
- ◆ Pool party  
June or July

The Cozad TeamMates program has grown its program to 35 matches this school year.

However the new coordinators, Tim Hansen and Marcie Kostrunek know that there are a lot more students who would benefit from having a mentor.

One Cozad mentee says this about his mentor, "Having a mentor means

we can have conversations that are just between us." That is what TeamMates is all about. Building a relationship one hour at a time.

All mentors and mentees had the opportunity to attend the Tri-City Storm Hockey game on March 20th. Over 40 mentors and mentees enjoyed the evening together. On Saturday April 17th mentors and mentees will be attending the Spring Game at UNL.

The students will have the opportunity to go on the field at half-time. On May 8th the Cozad TeamMates program will be heading to Kearney for an afternoon of fun at the Big Apple.

If you are interested in joining TeamMates please contact Tim Hansen or Marcie Kostrunek.

## Mentee's testimonies

Having a mentor .....

- Means we have conversations that are just between us.
- Is the most fun. You can talk about stuff that you probably wouldn't want to tell other people.
- Is so awesome, because he helps me do homework and we play basketball and have a fun time.
