Virtual Event

Featuring: Bill Murray, Warren Buffett, and Dr. Tom Osborne

Thank you for your support.

Dear Friends,

Welcome and thank you to all for joining us for our first-ever virtual TeamMates Tailgate Gala. We are humbled to serve as this year's honorary chairs for this impactful event. Although we hoped to be with you in person, we are thrilled to bring you a wonderful program with actor and comedian Bill Murray, Warren Buffett, and of course Coach Tom, enjoyed from the comfort and safety of your home.

Planning an event during a pandemic was challenging, but you, the friends of TeamMates, have stepped up and helped us exceed our fundraising goal of \$700,000! We are especially grateful for the generosity and leadership of TeamMates Founders and our friends, Nancy and Coach Tom Osborne.

Thank you to the talented Gala committee, lead by Julia Hernandez and Megan Morris, who have worked hard to provide extraordinary auction items for this evening. Our top picks are featured in the back of the program. We hope you will join us with laughs and by bidding generously to further the important mission of TeamMates!

This year your gift will be worth double, as an anonymous donor has graciously offered to match donations raised tonight up to \$100,000! This matters so much because 1/3 of the TeamMates program is funded by the money raised at this event. TeamMates has helped over 40,000 students realize their full potential through mentoring to date!

Thank you for your support and enjoy the evening!

Cheers,

Krista and Mickey Anderson

Dear Friends of TeamMates:

With our Mission as our guide, TeamMates continues to build on the legacy started by Nancy and Tom Osborne nearly 30 years ago. Last year, TeamMates mentors provided hope and encouragement to nearly 11,000 mentees across 5 states. This year, in response to the coronavirus pandemic, we are using technology to provide a safe virtual space for TeamMates matches to connect when meeting at school is not possible.

Maintaining these important connections is critical, especially during these challenging times. Your donations help us positively impact the students, mentors and communities we serve. Thank you for supporting the TeamMates Tailgate Gala.

★ About TeamMates

Mission

The mission of the TeamMates Mentoring Program is to positively impact the world by inspiring youth to reach their full potential through mentoring.

Our Story

TeamMates Mentoring began in 1991 with 22 University of Nebraska football players being matched with 22 middle school students in Lincoln Public Schools. The program expanded statewide in 1998. Since then, TeamMates has served more than 40,000 youth across Nebraska, Iowa, Kansas, Wyoming, and South Dakota.

TeamMates matches meet in school during the day to play a board game, work on a project, or just talk. During the COVID-19 pandemic, matches that are not able to meet in person are able to meet virtually through the new TeamMates Portal.

Students in TeamMates range from grades 3-12 and can continue in our TeamMates+ post-secondary program. They come from all walks of life, and have indicated that they would like the friendship of a safe, caring adult.

Featured Match

Janet Miller and her TeamMates+ mentee, Nicka, were matched in 2009. Over the last 11 years, they've grown to become much more than mentor and mentee. Hear their inspiring story in a special video during our program.
