TEAMMATES MENTORING

CELEBRATING 30 YEARS
OF TEAMMATES MENTORING

TeamMates is proud to have served 43,000 youth over the past 30 years, offering caring adult mentors, post secondary scholarships and HOPE.

85% of TeamMates Mentees Report Higher Levels of HOPE.

Is the Greatest Indicator of Success

(GALLUP)
A million thanks to the following individuals, families, corporations, foundations, and all those who have gone above and beyond to support the TeamMates Mentoring Program, TeamMates Foundation and TeamMates Chapters over the past 30 years. Thank you for your continued support.*

**IN MEMORIAM**

**Walter Scott Jr.**

(1931–2021)

The TeamMates family was saddened at the loss of a dear friend in Walter Scott Jr.; a true friend of the Osborne Family and TeamMates. He will be sorely missed.

“We often forget that Tom’s original intent was to build character in his players through service to the community. I believe the program continues to be just as much a benefit to mentors as to the mentees and through the years, over 40,000 children have been helped.”

---

**Duane W. Acklie**

(1931–2016)

We also remember another friend of the TeamMates family, Duane Acklie. The Scott and Acklie families have supported TeamMates since its founding by Tom and Nancy Osborne, 30 years ago, and the TeamMates Team greatly appreciates what they have meant to the sustainability of the TeamMates Mentoring Program and the TeamMates Foundation.

---

**HOPE is the Greatest Indicator of Success** *(Gallup)*

TeamMates Mentoring is proud to celebrate our 30th Anniversary this year. Since 1991, when 22 Husker football players raised their hands to become mentors within LPS, TeamMates has matched and assisted more than 43,000 youth, and has expanded into Kansas, Iowa, Wyoming, South Dakota and throughout Nebraska.

Despite a tough year when the Coronavirus continued to affect in-person mentoring matches, TeamMates is proud to serve nearly 180 programs and 10,000 matches with the assistance of our safe-based, school-based, strength-based chapters.

Our vision is to become the gold standard of school-based mentoring programs and serve 12,000 youth. With the assistance of our generous donors, and with our amazing mentors, we will work daily to achieve our goals.
Letter from the CEO

First and foremost, thank you for being a true friend and supporter of TeamMates! I am honored and excited to be back at TeamMates, where I previously served for eight years. Our team is committed to serving our mentees, mentors, and mentoring programs in all five states, according to the mission and the core values of TeamMates.

With your support, TeamMates Mentoring will always and forever be Nancy and Tom Osborne’s legacy. Nothing means more to me and our team than sustaining their legacy. More than 40,000 youth have benefitted from having a caring relationship through a TeamMates match, because of Nancy and Tom’s vision 30 years ago.

Mentoring is an investment, and we are grateful for our stakeholders, supporters and, of course, our mentors. Because of you, we can help youth identify their gifts and talents while providing them with a sense of HOPE and vision for their life. Gallup research has proven that Hope is the greatest indicator of success, with links to grades, achievement scores, retention, and future employment.

TeamMates core values reflect our mission. We have a:

» Never-ending Commitment to Youth.
» Safety is our No. 1 priority.
» We operate with Integrity and Trust.
» And will always promote Inclusion.

Now more than ever our youth need our support. TeamMates is a school-based, strength-based, one-to-one program serving students in 3rd through 12th grade. Mentees are in the driver’s seat when our matches meet in school, one time per week. And we don’t stop there. TeamMates+, our post-secondary program, is also strengths-based and one-to-one. TeamMates+ matches either meet virtually or in a safe public place, one time per month. With Central Office scholarships and highly valued collegiate partnerships, $3.1 million supports our TeamMates+ mentees’ dreams and ambitions annually.

Your funding is very important to us, and we don’t take that lightly. Despite Covid-19, we graduated our second largest class of high school students in May, with 702 graduating seniors and our highest senior mentee graduation rate of 98%.

We’re not just getting the job done, we are getting the job won by helping students become winners in life—one match at a time. As we celebrate 30 years of the legacy started by Tom and Nancy Osborne and set the stage for another 30-plus years, remember—your gift matters....your time matters...because our youth matter!

DeMoine Adams | CEO

Have a Question for DeMoine?
Call or email DeMoine Adams at 402-480-2671 or dadams@teammates.org.
Letter from Tom Osborne

Thirty years ago, Nancy mentioned to me that she had seen a segment on 60 Minutes in which a philanthropist told his story of volunteering to pay for children’s college educations if they stayed out of trouble and graduated from high school. She immediately asked me, ‘Can we do something like that?’ I said, let’s see what we can do. I subsequently presented the idea of mentoring young men in the Lincoln Public Schools to our football team. This was in the fall of 1991 and 22 players volunteered to mentor.

The reason Nancy's request struck a chord with me was that I had seen so many of the young men which we were recruiting coming from more challenging situations. Nancy and I believed that providing a young person, regardless of their backgrounds, with a mentor who cared about them unconditionally would be helpful. A consistent, stable influence in the lives of those young men had a positive impact as 21 of the 22 graduated from high school on time and 18 went on to college.

It wasn’t long before we expanded TeamMates districts and added adult mentors to our student-athlete mentors. Soon, other school districts began to express an interest and TeamMates expanded across the state of Nebraska. In recent years we have expanded into Iowa, Kansas, South Dakota and Wyoming, and now serve more than 10,000 students annually in 180 school districts. Providing unconditional support, affirmation and a reliable safe adult friend, for any student (3rd-12th grade) that has requested or is nominated, has resulted in 85% of our mentees expressing HOPE for the future.

Since TeamMates began in 1991, we have mentored more than 43,000 young people in a safe, school based, environment. Our data consistently records improved academic performance, better attendance and behavior and with a high rate of post-secondary education plans. Our high school graduation rates have been 95% or better in recent years. Combined with our post-secondary partners, we annually provide more than $3 million in college scholarships for our graduates.

As we celebrate our 30th anniversary and look to the future, we are very pleased to have DeMoine Adams return to TeamMates as our CEO. DeMoine has a real heart for the mission of TeamMates and his knowledge and experience with TeamMates is very important as we look to expand our programs and services and increase our matches in the future.

Whether you are a mentor, a friend of TeamMates or a contributor, we thank you for positively impacting the world by inspiring youth to reach their full potential through mentoring.

Tom Osborne

Have a Question for Coach? Call or email Chris Anderson at 402-540-0276 or cAnderson@teammates.org.
Nancy & Izzy: A 14-year Friendship

Izzy Nichols’ TeamMates journey began at age seven in Lincoln Public Schools. A sweet, young girl who deeply loved her family experienced adversity when her father passed away.

“My school counselor understood that I was going through some tough things and suggested to my mom that the TeamMates Program was there for kids that just needed an extra person to spend time with them and just believe in them,” Izzy explained. That’s when Izzy was matched with her mentor, TeamMates co-founder, Nancy Osborne.

“She always had a spark to her,” Nancy said as she remembered Izzy as a third-grader. “She loved both of her parents, and I think it was really tough for her, so that’s when I came into her life as an additional caring adult.”

Izzy and Nancy continued to meet once a week through the Lincoln TeamMates program until Izzy graduated from high school. However, this is not where our story ends.

“The first day we met, Nancy told me, ‘you are going to go to college,’ and I was like ‘you’re right! I am going to go to college’,” Izzy laughed. “I ran home and told my mom.”

This form of future-casting impacted Izzy’s life. She, like the other 85% of TeamMates mentees (three-year average), felt a higher level of hope as a result of her mentor. This hope gave her the drive to work hard through school and look toward her future. Izzy went on to graduate from high school with a scholarship to the University of Nebraska-Lincoln. Nancy and Izzy continued their friendship through the TeamMates+ program.

“She has just always been there, even on my graduation day, she was there,” Izzy said.

Izzy was able to graduate in four years with a degree in Marketing. She now is an account coordinator with Smith Kroeger in Omaha. Though their 14-year journey through TeamMates has technically come to an end on paper, both Izzy and Nancy agree, their friendship is for life.
The TeamMates Foundation provides financial resources to the TeamMates Mentoring Program in support of its mission to positively impact the world by inspiring youth to reach their full potential.

Since 2009 when the TeamMates Foundation was established, the Foundation’s net assets have grown from $60,000 to $12 million as of June 30, 2021.

TEAMMATES FOUNDATION DONORS

Thank you to our donors who have made commitments to the long-term sustainability of TeamMates Mentoring Program and local chapters. In 2012, TeamMates+ (plus) was launched to help mentors and mentees plan and prepare for college.

TeamMates+ matches meet once a month virtually or in person to build a friendship and help the mentee with their transition into college and adulthood. TeamMates+ Mentoring gives mentees the support and encouragement of a mentor while they complete college. TeamMates+ provides resources and encouragement through their post-secondary journey. TeamMates mentees have multiple scholarship opportunities through the TeamMates Central Office and its partners.

Brianna and Deb: Game-Changing Support

According to Gallup, the greatest indicator of success is **HOPE**. One TeamMates mentee is making her hopes and dreams come true as she enlisted in the Marines and will become the first female football student-manager for The Citadel Bulldogs. Brianna only needed a little support from her mentor and friend.

Brianna joined the TeamMates Mentoring Program as a fifth-grade student in Broken Bow, Neb. That’s when she met her mentor, Deb McCaslin. They met in school once a week to play soccer and talk. Deb and Brianna remained matched in the TeamMates Mentoring Program until Brianna graduated from high school. As Brianna started looking toward her future, she said she wanted to contribute to her country. That’s why she chose to enlist in the Marines and study psychology at the Citadel in South Carolina, she was heartbroken, thinking she wouldn’t be able to attend such a prestigious school. That’s when Deb came in with hope. Deb researched scholarship opportunities and came across several from the TeamMates Mentoring Program. With the support of the Educational Success Emergency Fund and the Mentors Foundation, TeamMates was able to provide Brianna with enough money to achieve her full potential at the Citadel.

The story doesn’t end here for Brianna and Deb. As part of her scholarship, the match will continue through the TeamMates+ post-secondary program as Brianna and Deb meet once a month virtually or in-person. In TeamMates+, 82% of students move onto their second year of college compared to the national average of 74%. Deb will be able to provide moral support and friendship to Brianna as she pursues her degree and inspires women at the Citadel.

Assisting every TeamMate with funding to a post-secondary school of their choice is not just a goal, it is a commitment. In 2020-21, TeamMates and its partners awarded more than $3 million to TeamMates mentees to further their education.
TEAMMATES+ VISION

To provide 100% of students who indicate they want a mentor with the support they need to achieve their post-secondary goals, growing the program to serve at least 400 post-secondary youth during the 2021–2022 school year.

Have a question regarding TeamMates+ or scholarships?
Call or email Jaci McKeever at 402-679-8116 or jmckeever@teammates.org.
FACT 1
Because TeamMates partners with schools and relies on volunteer mentors, TeamMates is able to be very cost effective. In fact, the TeamMates cost per match is approximately one fourth the average cost of mentoring programs nationally.

FACT 2
In 2020-21, TeamMates and its partners awarded more than $3 million to TeamMates mentees to further their education.

FACT 3
The annual TeamMates Tailgate Gala effectively fundraises approximately one-third ($1M) of TeamMates General Operating Costs each year (approximately $3M). TeamMates is proud to have amazing guests over the past 20 years, including Alex Rodriguez in November of 2021 for the 30th anniversary of TeamMates; Garth Brooks in 2016 for the 25th Anniversary and “Larry the Cable Guy” for the 20th anniversary in 2011.
Making an Impact

DURING THE 2020–2021 SCHOOL YEAR

10,093 total students served

184 programs in five states

10,759 virtual meetings were held between mentors and mentees

1,394 matches held virtual meetings

98% of TeamMates seniors graduated

95% of TeamMates mentees say they trust their mentor

89% of mentees are proud to be in TeamMates

OVER THE PAST THREE YEARS

85% of TeamMates mentees report higher levels of HOPE as a result of their mentor.

Your donations and gifts are being used to impact one child at a time.

$30 funds one background check. Safety is our No. 1 priority and a core value.

$450 funds one match per year. TeamMates currently supports about 10,000 matches per year in a five-state region. The $450 average cost per year for a TeamMates Mentoring match is one-fourth of the national average.

$15,000 will fund the opening of one new chapter in a community. TeamMates plans to expand so that every student who requests a mentor can be matched.

“Coach Osborne has done some amazing work here over the last 30 years promoting mentors in TeamMates, and it was really a great privilege to be in front of a great audience in Omaha.”

ALEX RODRIGUEZ

In response to the COVID-19 pandemic, TeamMates implemented the TeamMates Portal in the fall of 2020. This allowed for matches to meet virtually in a safe environment when they would otherwise not have been able to meet due to school closures.

The data provided is for the 2020–2021 school year (July 1, 2020 through June 30, 2021). Survey response rates were lower than previous years due to the COVID-19 pandemic.
Become a TeamMates Mentor

A TeamMates mentor is an advocate; a promise keeper; a safe adult friend; someone who is empathetic and non-judgmental. A mentor is not a parent, teacher, or coach. A mentor is simply a friend who cares. Matches meet once a week, in a safe school setting, during school, with a 3rd – 12th grade student, who simply wants to be seen and heard, unconditionally. The activities that take place during TeamMates matches are student-led with the goal of forming long-term relationships. TeamMates Mentoring is strength-based and mentors will have training to learn how to spot, affirm and encourage their mentee’s strengths. Research shows that 98% of TeamMates seniors graduated from high school in 2020-21, which is considerably higher than the 88% national average in the U.S. (2018-19).

Become a TeamMates+ Mentor

A TeamMates+ mentor is someone who supports post-secondary TeamMates students as they transition to college. Often a mentor continues with their mentee after they graduate from high school. TeamMates+ matches meet once a month, either virtually, on campus or at a safe mutually agreed upon location. TeamMates+ mentors are supportive of their mentees’ journey to a college of their choice. Research shows that 82% of TeamMates+ mentees continue onto their second year of college, which is considerably higher than the national average of 74%. TeamMates and its post-secondary partners awarded $3.1 million in scholarships to mentees this past year. If becoming a mentor sounds like something you could do, please go to TeamMates.org to fill out our online application. And THANK YOU for taking the time to make a difference in a student’s journey to success!

Become a Donor

If you would like to help TeamMates Mentoring Programs and support matches, but don’t have the time to commit to mentoring, consider becoming a donor. You could lend support to the TeamMates Mentoring Program, a local chapter, or provide sustainability for the next 30 years by making a gift to the TeamMates Foundation. With safety as our priority, each background check costs $30, so any gift would be much appreciated. To donate, Friends of TeamMates are welcome to go to TeamMates.org, mail a check, or transfer funds to TeamMates Mentoring Programs (TeamMates Foundation, 6801 “O” Street, Lincoln NE 68510). And THANK YOU for making a difference in the life of a student. If you would like information on estate gifting, or transferring of securities, please feel free to call or email Chris Anderson at 402-540-0276 or canderson@teammates.org.

Become a Friend of TeamMates

If you are interested in helping TeamMates find new mentors, please consider scheduling a mentor recruitment event at your workplace; sharing your knowledge in a Match Academy Session; providing in-kind expertise in areas like printing, technology, and video production or hosting a TeamMates meeting in your office or conference space. To become a friend to TeamMates, please contact Hannah Miller at hannah@teammates.org. And THANK YOU for taking the time to make a positive impact in your community!

Thank You for Your Support and for Being There!

Congratulations and thank you to the many companies who have provided support to 30 or more TeamMates mentors at their business. A special thank you to Kiewit, a gold-star supporter of mentoring. Kiewit is not only No. 1 in mentors from one company—with more than 100 this year—but they also make financial contributions to the TeamMates Mentoring Program. In 2021, they assisted TeamMates with its Annual Conference in Lincoln.

If you would like more information on how your company can support mentoring, please contact TeamMates’ Recruitment and Marketing Manager, Hannah Miller, at hannah@teammates.org.

“*Our genuine friendship and delightful conversations have always given me a fresh perspective and meaning in investing in our future. I enjoy and highly value supporting our community’s youth. I am honored and appreciative my employer, Kiewit, sees not only the personal, but also the professional investment in our TeamMates partnership. I am grateful for their core value of stewardship ringing true in allowing employees to give back to our community.*”

**Haley Armstrong**
Senior Communications Specialist-External Affairs at Kiewit
TeamMates Documentary

In 2021, TeamMates began working with Grindstone Media to produce a documentary to showcase the importance of school-based mentoring in communities. The film crew spoke with TeamMates’ founders, Dr. Tom and Nancy Osborne, as well as other key stakeholders of the program. And hear from youth, mentors, school districts, and community leaders who believe in the impact mentoring can have not only on a child’s life, but also for generations to come. The documentary is set to air on January 29th on News Channel Nebraska.

Please mark your calendars for a very special date!

**Wednesday, February 23, 2022**

TeamMates will be celebrating Co-Founder Tom Osborne’s birthday! On this day, we are inviting you to do the following:

» **Businesses:** Donate a percentage of your business profits to TeamMates.

» **Individuals:** Become a mentor or make a donation to TeamMates.

» **Individuals and Businesses:** Join our radiothon to share a story about your experience with TeamMates.

» **Husker Letterwinners:** Donate to the Player’s Campaign for TeamMates.

We hope you will help us celebrate Co-Founder Tom Osborne’s birthday on February 23, 2022. Contact Chris Anderson at canderson@teammates.org.

Sometimes troubles and hardships hit too close to home. Whether it’s dealing with a life-threatening flood or a worldwide pandemic, obstacles will always appear. For 36 years, Tom Osborne has confronted obstacles and turned them into positive results. With the foundational principles in his book, ‘I Believe in You’, Coach Tom Osborne wants the reader to learn how to endure, improve and understand that they are created unique with special talents.

Tom Osborne’s royalties from ‘I Believe in You’ will go to the TeamMates Mentoring Program to expand its outreach to youth around the nation.
Thirty years ago, Coach Osborne asked our 1991 Football team to consider mentoring a youth one hour each week. Thirty years later, the TeamMates Mentoring Program has grown and currently serves about 180 chapters with 10,000 matches in a five-state region.

In honor of TeamMates’ 30th Anniversary, we invite you to join the Player’s Campaign to sustain the TeamMates Mentoring Program for the next three decades. We are serving as Co-Captains of the Player’s Campaign because we are passionate about Coach Osborne and his legacy and believe in the benefits of the TeamMates Mentoring Program. Coach Osborne and his wife Nancy have given all of us so much throughout the years, now it’s our turn to give back.

We are **N**! Are you?

To give to the Player’s Campaign, go to teammates.org/for-donors/players-campaign.

---

“Congratulations to Tom and Nancy Osborne on the 30th-year anniversary of TeamMates. Their leadership, vision and dedication in support of young people through mentoring has made an incredible difference in the lives of so many. The legacy of TeamMates will live on through multiple generations, and its impact will be substantial.”

1992-95
Thank you to our 2021 TeamMates Tailgate Gala Sponsors

We enjoyed seeing you again at this year’s Gala featuring Alex Rodriguez, Warren Buffett and Tom Osborne. A virtual hybrid option was also enjoyed by many who were unable to attend. This year, while we minimized attendance, our sponsors stepped it up to help us meet our annual goal of one-third of our annual operating expenses. As the TeamMates Gala is our only fundraiser each year, we appreciate your support and hope to see you at next year’s Gala, tentatively scheduled for November 11th, 2022, when we plan to host honored Veterans as well as Friends of TeamMates.

For more information on the 2022 Gala, please contact Chris Anderson at canderson@teammates.org.

“TeamMates is a ‘Triple-A’ investment. It delivers a huge payoff for mentors, mentees, and our community. It enters its fourth decade with great leadership and momentum.”

WARREN BUFFETT
Since 22 football players raised their hands to mentor youth in Lincoln in 1991, TeamMates has served 43,000 youth, offering HOPE for the future.
